About Dr. Ketra

Charismatic, Energetic, and Captivating describe Dr. Ketra's personality. Armed with over 20 years of serving the community, Dr. Davenport-King is an advocate, speaker, mentor, life coach, and philanthropist who has radically impacted the lives of believers under the flagship of her ministry.

Dr. Ketra L. Davenport-King, a native of Dallas, Texas, received her Bachelor of Arts and Science in Christian Counseling, Master of Arts in Christian Education, and Master of Business Administration from Dallas Baptist University. She earned her Doctorate in Strategic Leadership from Regent University. She has spent much of her life serving people in various capacities. One of her greatest joys is starting Life After Advocacy Group, Inc., in 2004 to help individuals who have been victims of sexual abuse recover and live a healthy life.

Dr. Ketra opened the doors to Rock Dimensional Consulting. Through RDC, she has spent the past 15 years coaching, mentoring, and training leaders, developing and educating church ministries, and hosting leadership seminars and workshops. Dr. Ketra is known for her innovative and engaging Leadership Seminar name, 'The Leadership ReCourse,' designed to reconnect today's leaders to collaborative leadership. Dr. Ketra wholeheartedly believes, "When you live in a community, there should be a handprint of your work left behind for future generations." She launched the North Vernon Women's Community Bible Study Group to bridge the gap and bring together a diverse group of women to improve the family dynamic in underserved communities.

Her greatest accomplishment is sharing her story in *Seeing Beyond the Shattered Glass*, a fictional memoir based on her true-life events. She is a #1 Best-Selling Author and has received a Christian Literary Henri Award. Dr. Ketra continues to share stories through her writing to aid others in the process of becoming FREE from childhood abuse and trauma. She is confident her books will inspire overcomers of sexual abuse who suffer in silence to find their voice and speak their truth.
